

BACIGALUPI

2021 BACIGALUPI PINOT NOIR
RUSSIAN RIVER VALLEY, SONOMA COUNTY

TASTING NOTES Our very last vintage from this legacy vineyard. The 2021 Bacigalupi Pinot Noir presents itself with the classic characteristics that you've grown to love since our inaugural 2012 vintage. Captivating, medium garnet tones and a luscious texture that promises depth and complexity. Enveloping the senses, wafts of enchanting floral scents mingle with the earthy notes of fresh cedar and sage, rounded off with the comforting aroma of black tea. The olfactory experience is further enhanced by the subtle presence of beautifully ripe fruit, an intriguing minerality, and a whisper of herbs that promise a multi-layered taste journey. On the palate, this Pinot Noir delicately treads the line between boldness and finesse. It's a wine that balances density with a delightful delicacy, acidity with fruitfulness, all the while maintaining an impeccable harmony that will appeal to enthusiasts of both light and more robust red wines. This Bacigalupi Pinot Noir is a testament to the complexity and captivating character that a meticulously crafted wine can convey.
