2022 BECKSTOFFER SAUVIGNON BLANC

MELROSE VINEYARD · RUTHERFORD · NAPA VALLEY

Tasting Notes

The 2022 vintage of Sauvignon Blanc from Andy Beckstoffer's Melrose Vineyard is a true delight for the senses. With bright and zesty citrus notes, this wine is the perfect refreshment on a hot summer day. The minerality in this wine adds a layer of complexity, while the razor-sharp acidity perfectly balances the light-bodied texture. On the palate, expect a burst of white grapefruit and lemon zest flavors, with a subtle hint of green apple and pear. Minimal new French oak exposure softens and elongates the alluring finish. This Sauvignon Blanc is a must-try for anyone who appreciates a bright and refreshing white wine with plenty of personality.

Winemaker Kirk Venge's Notes

"Everyone knows the renowned Beckstoffer legacy for their opulent and famous Cabernets. Now, for the very first time, Beckstoffer is introducing a vineyard designate Sauvignon Blanc and Eleven Eleven is among the first Melrose Vineyard clients to use this classification. This wine is explosive and showcases the power and freshness of this Rutherford terroir."
