

VIVIO

2023 ROSÉ OF SYRAH

BENNETT VALLEY, SONOMA COUNTY

TASTING NOTES Begin your evening with a dash of elegance with our 2023 Rosé of Syrah. Sourced from the Vivio Vineyard in Bennett Valley, this wine is a proud emblem of its cool growing conditions, bringing out the best in the Syrah grapes. Its light salmon color - your first clue to the delicate yet enticing experience that awaits! The nose greets you with a bouquet of fresh strawberries and watermelon rind, tied together with a kiss of floral elegance. Take a sip and let the zesty acidity and crisp texture dance across your palate, revealing delightful layers of white peach, a twist of citrus, and an undercurrent of fresh herbs. And the finale? A pristine and dry finish that effortlessly encourages another pour.

VINEYARD NOTES This vineyard is perched high above the valley, commanding gorgeous views in any direction. At just above 800 ft, this is one of the highest vineyards in Bennett Valley within Sonoma County. This southeasterly sloping vineyard is planted on volcanic soil. The ocean fog in the Russian River moves easterly and gets trapped in the Bennett Valley bowl. The cool evenings and mornings and hot sunny days promote a long ripening season providing fruit with intensity and beautiful complexity.
